Dear Parent/Carer,

Year 8 Homework

At Grace we endeavour to support our students in maximising their Limitless Potential and one of the ways we do this is through homework and independent study.

Homework is defined as “independent work completed outside the timetabled curriculum” and is a key driver in supporting and raising student achievement. It contains an element of independent study meaning it is not usually directly supervised by a teacher. We consider homework to be an integral part of the curriculum as it enhances student learning, improves achievement and develops students' study skills.

This academic year, your child will receive 6 homework booklets which will be distributed at the beginning of each half-term. Each booklet will consist of homework from across the curriculum. You can view the booklet online here: [Grace Academy Coventry Homework Booklets](#)

In order for your child to achieve their best, their role is:

- To ensure instructions for the task and deadline date are accurately recorded in planners (we recognise that any SEND students or students with profound EAL needs may need additional support with this);
- To ensure that homework is completed and handed in to meet the deadline;
- To attempt completion to the best possible standard;
- In case of any difficulties or barriers, to inform the class teacher of any difficulties at the first available opportunity.

If you have any questions, please do not hesitate to contact either your child's form tutor or their head of year:
