Dear Parent/Carer,

Health & Social Care Coursework Deadlines

As part of the final assessment for this subject, there are four tasks which must be completed. These four tasks make up 30% of the final grade. Your child has now started their first task in their Health & Social Care lessons.

Your child will have their own class deadlines in their planner for the tasks to be submitted for marking. Additionally, they are allowed time during lessons in the computer rooms to allow the written assessment to be completed. Students are further supported through Period 6 lessons which are every Tuesday from 3pm until 4pm in Room 1095 with the head of the department, Mrs Moore.

It is important that students keep on top of these deadlines so each task can be given the appropriate amount of time to produce their best quality of work. Please support your child with completing their assessments in a timely manner.

Should you have any further questions please email their class teacher or the head of the department, louisemoore@graceacademy.org.uk.

Yours sincerely,

Mrs L Moore
Head of Sixth Form and BTEC Coordinator

Executive Principal:
Mrs N Whiles

Associate Principal:
Mrs E Wheller
