Dear Parent/Carer,

Year 10 Work Experience

Today we have launched our Year 10 work experience! All students have taken part in an introductory session and have been given a work experience booklet which they will bring home. We would appreciate you talking this through with your child and supporting them as they find a placement. It is your child's responsibility to source and organise their work experience placement and we will support them with this as much as we can.

Work experience is a valuable opportunity for students to spend time in an adult working environment carrying out tasks and duties similar to an employee but with the emphasis on learning about the world of work. The placement does not necessarily reflect the student's eventual career choice but allows them to gain experience of the world of work and is an opportunity to develop skills for the future and thereby maximise their Limitless Potential.

We are very excited as a school to see our students embrace such an opportunity, learn about future career pathways and learn what Intentional Excellence can look like in the world of work. We see every year how work experience is invaluable and can open doors for our students to a future career path.

Year 10 work experience is taking place from Monday 22nd June to Friday 26th June 2026. The deadline for your child to hand in their work experience placement form is **Friday 12th December 2025**.

We are holding a work experience information event on Thursday 9th October from 4.30pm-5.30pm. Please come along if you would like to know more about work experience or have any questions for us.

If you have any questions in the meantime please do get in touch with either myself or Miss Harvey at emilywilliams@graceacademy.org.uk or ellieharvey@graceacademy.org.uk.

Kind regards,

Mrs E Williams
