Dear Parent/Carer,

### Maths Homework – Sparx Maths

We are excited to introduce Sparx Maths as our new platform for setting maths homework for students in Years 7 to 11. Sparx Maths provides personalised tasks tailored to each student's learning needs. It supports understanding through carefully designed questions and video explanations, helping to build confidence and improve progress over time. Your child has been shown this platform and how to log on.

Homework will be set weekly and will be checked every Thursday. We kindly ask for your support in encouraging your child to complete their homework on time each week.

If you have any questions or concerns about Sparx Maths or your child's homework, please do not hesitate to get in touch.

Thank you for your continued support.

Yours sincerely,

*Zhen Chen*

Mrs Z Chen  
Director of Maths

*Executive Principal:  
Mrs N Whites*

*Associate Principal:  
Mrs E Wheller*
