Dear Parent/Carer,

Sixth Form Parents' Evening – Wednesday 7th January 2026, 4:30pm – 6pm

I would like to invite you to our Year 13 Parents' Evening which is taking place on Wednesday 7th January 2026.

The evening is an excellent opportunity to discuss your child's progress with their respective subject teachers following their recent mock examinations and will be the final opportunity for you to be able to speak with your child's subject teachers in person before they sit their final examinations in the summer term.

We are keen for parents and teachers to work together to ensure the students receive the support and guidance necessary to give them the best possibility of success. Subject teachers will be able to discuss how your child is progressing in their studies and what they need to do over the next few months to enable them to maximise their Limitless Potential and you will be able to raise any concerns you may have regarding your child's studies during the evening.

The event will run from 4:30pm until 6pm and each appointment will last for 5 minutes. You will hopefully be familiar with our online appointment booking system used across the school, which we will be asking you to use again this year. If you are not familiar with this booking system, please see the attached Parents' Guide to making bookings.

We look forward to seeing you.

Yours faithfully,

Mrs Louise Moore
