Dear Parent/Carer,

Have Your Say: Important Parent & Carer Survey Launched This Week

We are writing to let you know about an opportunity for you to share your thoughts and experiences of Grace Academy Coventry. On Monday, you will have received an email launching a comprehensive school survey and, if you haven't already completed this, we would love to hear from you.

Why Your Feedback Matters

Your partnership is incredibly important to us, and we want to hear your honest opinions on various aspects of the school and your child's education. The insights we gather will be actively used by our leadership team to:

- Understand what we are currently doing well.
- Identify areas where we can improve and grow.
- Inform our future strategies and guide our next steps as a school.

Completely Anonymous and Independent

To ensure you feel entirely comfortable providing open and honest feedback, we have partnered with Edurio, an independent education survey platform.

Edurio will manage the survey entirely on our behalf. Please be assured that your responses will be completely anonymous. The school will only receive summarised data and overarching trends to help us plan for the future; we will not be able to identify any individual answers.

Next Steps

You will have received an email on Monday which contains a direct link to the Edurio survey.

It should only take a few minutes to complete, but the impact of your feedback will be invaluable in helping us provide the best possible educational experience for your children.

Thank you in advance for your time, your honesty, and your continued support.

Yours sincerely,

Mrs E Wheller
Principal
