Dear Parent/Carer,

Nomination for Times Educational Supplement ('TES') National Award

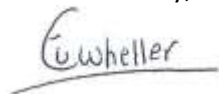

We are delighted that Grace Academy Coventry has been nominated for a prestigious national award by the Times Educational Supplement. The award we have been nominated for is one close to our heart and all that we do at Grace: Community Engagement Initiative of the Year. Regardless of whether we win this award or not, to be nominated from all schools nationally to the last 7 is an incredible achievement.

Our students and our community are so important to Grace Academy and this award reflects the collaboration between us and the community. We would like to thank all our parents for your continuing support with attending and spreading awareness of events such as our Christmas Fayre, Summer Fayre and Career's Fayre, supporting your children to attend our cultural awareness trips, such as the Samaritan's shoe box packing trip before Christmas every year. We would also like to thank our parents for kindly donating to our appeals, such as the Autumn foodbank collection.

We have incredible partners who very generously donate not only financially but also support the enrichment of our students and their families by donating resources, experiences and equipment. We would particularly like to thank: IM Group, Grace Foundation, Coventry Building Society, Cadent Foundation, Segro, Parker Meggitt, Fiera Real Estate, Opus Land, Deloitte, Deeley Group, McLaren, MTC, Zenzero, Sky Blues in the Community, Severn Trent, Amazon and Taylor Wimpey for their amazing support and countless others who are represented at our careers fayre and those who have provided and continue to provide our students and families with amazing opportunities and support over the past few years. Many of the wonderful resources and experiences for our students would not be available without these partnerships which enable our students to maximise their Limitless Potential, enhance their Mutual Respect and demonstrate their Intentional Excellence.

We are committed to continuing to engage with our community which is a fundamental element of The Grace Way.

Yours sincerely,

Mrs E Wheller
Principal
