Dear Parent/Carer,

Sixth Form End of Term Letter

As we approach the final stretch of the academic year, there is a tremendous amount of activity and achievement to celebrate within our Sixth Form.

Our Year 13 students have officially begun their summer examinations. We have been incredibly impressed by the dedication and the hard work they are putting into these final preparations, using their Intentional Excellence. To support them during this high-stakes period, teachers have been delivering pre-examination briefings before every exam. These sessions allow teachers to settle nerves and recap those vital "finer details" right before students enter the exams hall. Additionally, huge congratulations to our English and History students, who have now officially submitted their A-Level coursework for moderation.

Following the successful submission of all UCAS applications, many of our students are now holding a fantastic range of offers. To help them navigate their next steps, Mrs Moore (Head of Sixth Form) has met with every Year 13 student in order to advise on selecting "Firm" and "Insurance" choices that are both aspirational and realistic, ensuring every student has a strategic plan for their post-18 journey.

It has been an equally busy time for Year 12 as they balance their current studies with exciting future planning. We are delighted to announce that Year 12 have completed their Extended Project Qualification (EPQ) presentations. Miss Mahmood and Mrs Dalton were thoroughly impressed by the professional quality of the research and the confidence shown during the presentations. Preparations are also in the final stages for Work Experience placements taking place during the final week of term. This will be an invaluable opportunity for students to gain "real world" insights into their chosen career paths. Furthermore, to help protect students' revision time, we have scheduled the Year 12 Enrichment Week for June, immediately following their mock examinations. This week will be a fantastic mix of academic inspiration and well-earned fun, including:

- Visits to two different types of universities (Redbrick and Polytechnic);
- A trip to a UCAS convention to meet with admissions tutors;
- A celebration event for the CBS programme;
- A final celebratory trip to Drayton Manor.

Thank you for your continued support during this demanding but rewarding term. We wish all our examination cohorts the very best of luck in the coming weeks.

Principal:
Mrs E Wheller

We hope you all enjoy the half term break and look forward to seeing all the students upon our return on Monday 1st June at the normal time.

Yours sincerely,

Mrs E Wheller
Principal
