

## Year 11 and 13 Exam Briefing Pack

**Date: Monday 2nd June – Friday 20th June**

### Key:

- In some cases, students may study two subjects that are offering exam briefings.
- The **first priority subject is highlighted in red**, **second priority in purple** and **third priority in green**. All other students will attend the subject in black.
- Example: on Tuesday 7<sup>th</sup> May there will be students who study Drama and PE. They should attend Drama (highlighted in red) on the Tuesday instead of PE as Drama moves down the priority list on the Wednesday and PE moves up.
- The rooms are ordered by period and it will be the Year 11 and Year 13 that move around the Academy and not the rest of the school
- Year 13 students attend their normal timetabled lesson with their teacher. The only exception to this is when there is an examination briefing prior to their examination. When this is the case, the examination briefing takes priority over normal timetabled lessons.
- Example: Tuesday 9<sup>th</sup> May **Morning Session: IDI 1009, 1015, 2011**  
This means the lessons will take place:  
P1 1009  
P2 1015  
P3 2011  
**Afternoon Session DPE 0017, 0029**  
This means the lessons will take place:  
P4 0017  
P5 0029
